

Your Nordic adventure awaits

As an Associate Consultant at Bain, you'll make an impact from day one. Working alongside some of the brightest minds and kindest people in the industry, you'll help intriguing companies solve their biggest business challenges. Right now, we're looking for brilliant graduates to join our growing community of smart and dedicated Associate Consultants in the Nordics.

NO TWO DAYS ARE THE SAME

You'll be part of a company where we invest deeply in our people and where you'll get to build a global network of peers and experts that will help you thrive and develop through case work, trainings, externships and experience transfers. You'll begin as a generalist and be in the thick of the action. Every day brings something new, and your tasks will cover everything from providing clients with powerful facts and analyses to identifying information sources, gathering and interpreting data, interviewing the client's customers, competitors, suppliers and employers and much more.

WHAT DO YOU BRING TO THE TABLE?

If you're a curious and ambitious graduate looking for a steep learning curve matched with unparalleled career opportunities, world-class training and a high level of trust and responsibility, we'd love to hear from you. To be eligible for the position, we'd like you to have:

- strong academic records
- a creative and analytical mindset
- a solid team player attitude with excellent people and communication skills
- a high level of drive and the ability to thrive in an entrepreneurial environment
- full proficiency in English (no local language requirement)

READY TO CREATE YOUR OWN PATH FORWARD?

Go ahead and send us your application at bain.com/careers no later than August 25. Please include a cover letter, your resume and grade transcripts. In the application, you can indicate which office you wish to join. If you have any questions, please reach out to Rebecca Rosell-Helland at Oslo.recruiting@bain.com.
