

BUILD A CAREER AS UNIQUE AS YOU

Are you looking for an exciting opportunity to grow professionally and learn about consulting? Join us at the Women Leadership Summit in Oslo on June 20 to find out how you can fulfil your professional aspirations at Bain.

WHAT'S IN STORE FOR YOU?

The Women Leadership Summit is a full-day program packed with inspiring opportunities to enhance your skills, broaden your horizons, and connect with Bain consultants and fellow students. The workshops and sessions will center around:

- Our recruiting process and how to succeed in case interviews

You'll collaborate closely with fellow participants and Bain consultants, gaining valuable insights into consulting, Bain's vibrant work culture, and above all, about yourself.
