

# BAIN BEYOND BUSINESS 2024

Are you excited to tackle a real-life challenge and create sustainable impact? Would you like to develop your skills alongside Bain consultants and students from Denmark, Finland, Norway, and Sweden? Bain Beyond Business is your chance to do just that! Join us at the charming Hotel Hornbækhus for a relaxing and enlightening three-day retreat filled with impactful problem-solving and meaningful connections.

## WHAT CAN YOU EXPECT?

You'll get the opportunity to work on a real project for a renowned and established company, building your skillset along the way. You'll receive training, feedback, and guidance from our consultants, giving you a first-hand experience of solving complex challenges for business leaders.

The trip is also a great chance for you to grow your network. You'll get to connect with consultants and fellow students from the Nordics, both on a professional and personal level. Through fun activities and informal talks, we hope to give you a truly unforgettable experience and first-hand insight into what it's like to be part of Bain in the Nordics.

## LET'S GET TO KNOW EACH OTHER

To make the most out of this unique experience, we'll gather at our local offices for a nice dinner before the retreat to get to know each other.

**Denmark:** June 27 **Finland:** June 11  
**Norway:** June 25 **Sweden:** June 13

## SOUNDS LIKE SOMETHING FOR YOU?

If this experience sounds as exciting to you as it does to us, we'd be thrilled to receive your application at [Bain.com/careers](https://Bain.com/careers) by May 12. Please include your CV, grade transcripts, and a short motivational letter explaining why you'd like to take part in this event. Bain Beyond Business is particularly aimed at students in their third to fifth year of study, and Bain will cover all costs involved. If you have any questions, don't hesitate to reach out to us at [Nordic.recruiting@bain.com](mailto:Nordic.recruiting@bain.com).
